**DPD PROGRAM DIRECTOR CHECK LIST – STUDENT INSTRUCTIONS**

IMPLEMENTED: JUNE 2009 – UPDATED: APRIL 2011

- Verify with the student that they completed the Survey to ensure their application can be processed. If they have not, the survey link located on their application is <http://ecom.eatright.org/CRMS/survey.asp>.
- To further assist the student(s) with the eligibility examination process provide or direct them to the CDR website <http://cdrnet.org/programdirector/dieteticsprogramstudents.cfm> for their graduating student information.
- Advise students that they will receive a letter confirming registration eligibility via e-mail from CDR approximately seven to ten business days following CDR's receipt of the class.
- For students who have misplaced or used their DPD Verification Statement forms, provide students with at least five (5) originals. Original Verification Statements may be required for ADA Membership (Associate to Active member transfer status), licensure, and employment. Students should also retain a personal file copy for future use.
- CDR only accepts the CADE Verification Statement (updated 7/08) and it is separate and distinct from the DICAS (on-line) verification statement for program enrollment.
