## 100. Academic Coursework

Dietetics-related academic coursework, including distance learning, at a US regionally accredited college or university can be awarded CPEUs according to the listing below. Under the activity description in your Step 4: Activity Log, indicate whether the coursework was taken during a semester, trimester, or quarter. Academic coursework must be started after a practitioner becomes an RD, RDN, or DTR and must be completed in your current recertification cycle in order to receive CPE credit. The date of completion of academic coursework can be either the date of notification of successful course completion or the date of the final examination required for course completion. However, the notification of successful completion of coursework must be received by May 31 of the last year of the recertification cycle.
