Dear Health Care Provider:

_____ is credentialed as a Registered Dietitian (RD) or Diet Technician, Registered (DTR) through the Commission on Dietetic Registration (CDR). All credentialed practitioners must complete recertification requirements to maintain the credential: A Learning Plan, 75 RD/50 DTR CPEUs, including 1 CPEU in ethics or health equity, and submission of the Activity Log.

This inquiry is to verify that the practitioner is unable to independently complete the online Learning Plan and/or Activity Log due to health-related reasons, and thus requires assistance from CDR staff.

Practitioner will need assistance with:

- Learning Plan Submission
- Activity Log Submission
- Both

I verify that the individual mentioned above is unable to independently complete the Professional Development Portfolio due to health-related reasons.
