Two Step application process

Step 1: *Submit completed application and documents for review by the Council on Research Survey Review Subcommittee of the Academy of Nutrition and Dietetics.*

Please attach a letter of support signed by your research advisor, a sample copy of your research survey, a description of your proposed research study methodology and a copy of the cover e-mail or letter that will accompany your survey. Please allow three weeks for processing.

Research Request Evaluation Criteria:

Please provide your response to questions one through five on a separate sheet to be submitted with this application form.

1. Does this research support the Academy's and/or CDR's Mission/Vision?

Academy

Vision:

A world where all people thrive through the transformative power of food and nutrition.

Mission:

Accelerate improvements in global health and well-being through food and nutrition.

CDR

Vision:

The Commission on Dietetic Registration administers valid, reliable, and rigorous credentialing processes to protect the public and meet the needs of CDR credentialed practitioners, employers and consumers.

Mission:

The Commission on Dietetic Registration protects and promotes the health of the public by supporting practitioner competence, quality practice, lifelong learning and career advancement. Will this research advance the profession of dietetics?

2. Does this research support the Academy's and/or CDR's strategic plan?
3. The sample research survey conforms to generally accepted research survey design standards.
4. Is your college/university US regionally accredited and accredited by the Accreditation Council for Education in Nutrition and Dietetics (ACEND)?

5. The proposed research study description/methodology conforms with the generally accepted research design standards

NOTE: The Institutional Review Board (IRB) approval should not be obtained until the student has received written approval from the Subcommittee. Otherwise, if IRB approval has already been obtained and the Survey Review Subcommittee requests that you make changes to your materials, you may need to submit an IRB modification in order for CDR to accept your application and provide the registry list.

Check List: To avoid a delay in obtaining approval, please complete the below check list to ensure that all documentation is attached before submission.

- _____ Include a written statement how this research is in support of the Academy's and/or CDR's Mission/Vision.
