STUDY GUIDE FOR THE REGISTRATION EXAMINATION FOR DIETITIANS 10TH EDITION

This new edition of the study guide is available as a resource for individuals preparing to take the registration examination for dietitians. It includes:

- a comprehensive study outline based on the examination content specifications to be implemented January 1, 2017,
- suggested study references,
- study tips,
- a print copy of the 125-question practice examination that is also provided via an online format, and
- two single use vouchers to use when accessing the online practice examination.

Please note that the practice examination is administered by TesTrac, CDR’s vendor and that the practice examination questions (125) are identical in both formats. The online version simulates the actual computerized registration examination format and randomized the distribution.
